Title: Addressing the Body, Soul, and Spirit

Main Scripture: 1 Thessalonians 5:23

"May God himself, the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless..."

Are you struggling with habits or strongholds that won't break? The key to lasting victory lies in understanding how God designed you. Today, we will explore the crucial difference between your Body, Soul, and Spirit, and learn the biblical order for addressing them to walk in the freedom Christ purchased for you.

Key Quote to Meditate On:

"God is not interested in your limitations. He is interested in your availability."

Closing Thought

"You are not who you used to be! You have the DNA of Jesus Christ. Walk in your new identity this week."
